

Welcome to our survey!

The Louisiana Coalition Against Domestic violence is assessing current strengths, gaps and areas for potential growth in practices, policies and protocols that promote the safety and security of domestic violence victims in our state.

Survey Purpose: This survey was designed as one component of a statewide needs assessment that examines our strengths, needs and potential areas for development and/or enhancement in practices and policies/protocols for ensuring the accountability of domestic violence offenders and safety and security of domestic violence victims. It focuses on three main topics: (1) training, (2) collaborative endeavors and (3) policies and protocols.

Number of Questions and Length of Time: This survey has a total of 13 questions and will take approximately 10 to 15 minutes to complete. If you are unable to complete the survey in one sitting, you can save your completed responses by clicking next at the end of the page and then return to complete the survey at another time.

Requested by: We ask that you please complete this survey by October 10th, 2016

Follow up: Once all surveys are completed, the data will be analyzed and a final report will be written. The highlights from this report will be widely shared and a link to the final report will be available on the LCADV website.

If you have any questions about this survey please email rhonda.evans@lcadv.org or call Rhonda Evans at 225-753-1296.
